1-2 Home page

1-3 Bug report

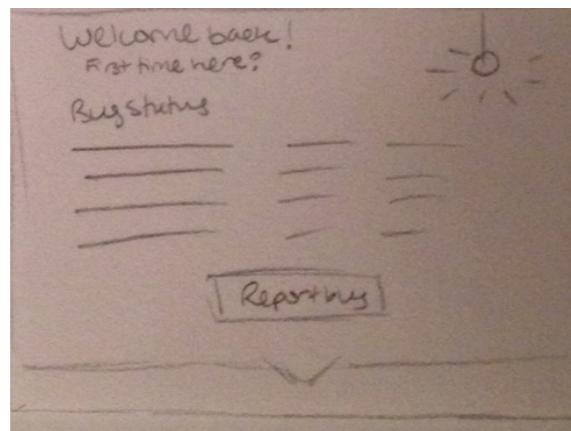

1-4 Authorize Github

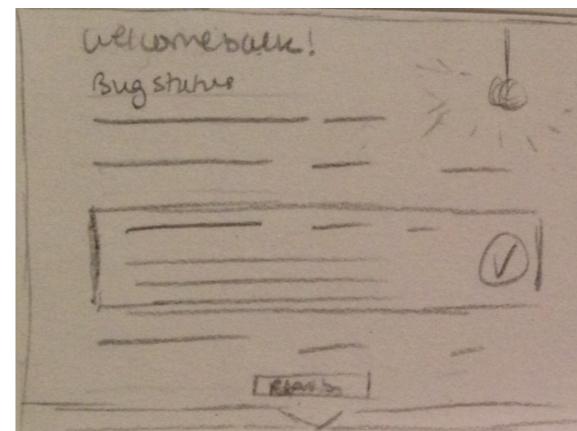

1-5 Thank you

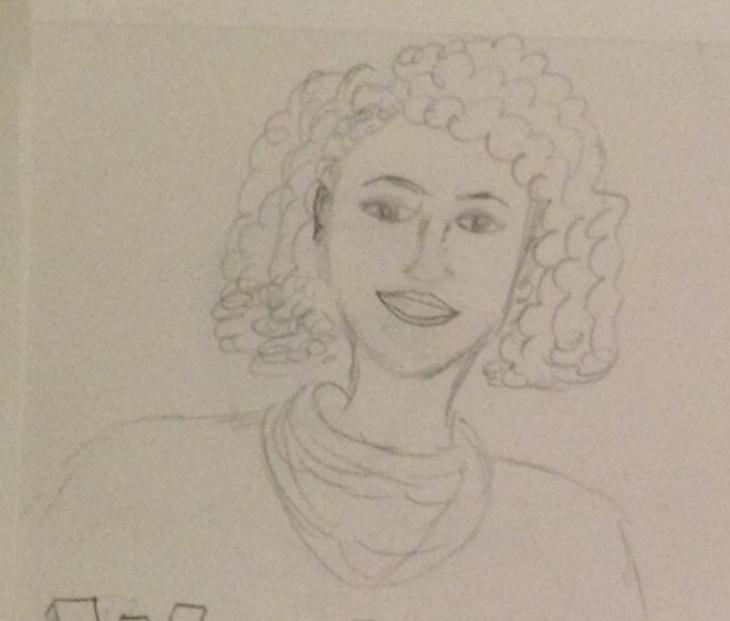

2ND VISIT

2-1 Home - Bug Status

2-2 Home - Bug Status Detail expand

WEB DEV

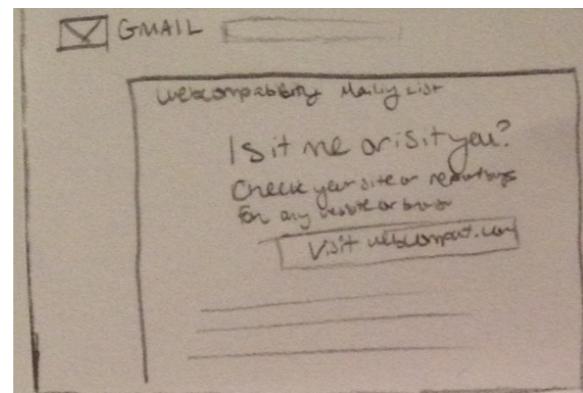

GOALS

- + To know if she messed up when coding or if it's the browser
- + To know if someone else is having an issue on her site (so that she can fix it)
- + To report other sites + apps she visits so they can recover from errors

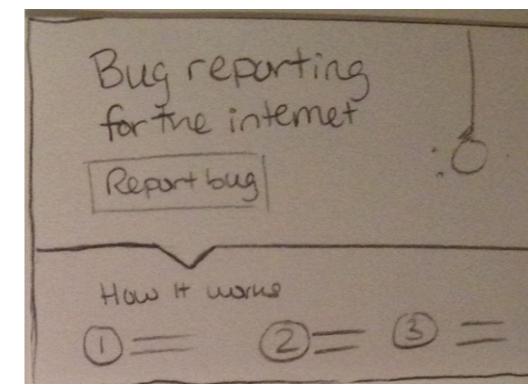

HOW WE HELP

- o Provide a place to check her site
- o Provide a way to sign up for bug reports of her site
- o Provide an outlet for issues she finds on other websites

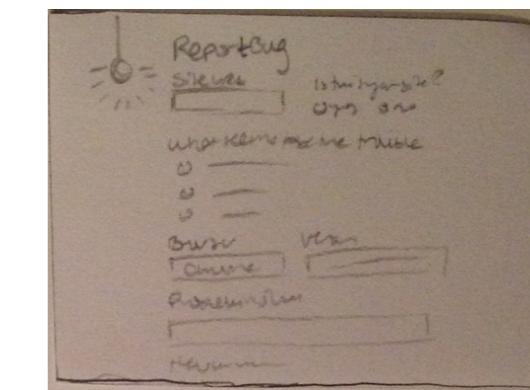

1st VISIT

Bug reporting for the internet.

[Report bug](#)

How It Works

- Report a bug for any website or browser.
- Report a bug for any website or browser.
- Report a bug for any website or browser.

Join The Team

Some copy goes here about what this project is and why someone should help out. It's so cool! Look at all this copy I'm putting here.
